JACKET REQUIREMENTS

The following criteria will be followed in the awarding of Athletic Letter Jackets for the 2015-16 school year. The Booster Club will award one jacket per athlete, providing the student meets the criteria.

The student must be a junior or a senior on a varsity team.

The student must have played the same sports for two years.

Jackets are awarded three times during the school year: Fall, Winter & Spring. If your order is late, it will be held until the next scheduled order for jackets.

To help defray the cost of the jacket, a monetary obligation from the student is required. Larger sizes required an additional charge to cover increased cost. Athlete pays ½ of the cost of the jacket and the Booster Club pays the other.

If you meet requirements and have a financial hardship, please speak to a member of the Booster Club.

All eligible students must take it upon themselves to complete the application and return to Mrs. Manning by the date below with the appropriate payment. Please take the time to select the appropriate size jacket. These are custom-made jackets. A two-week sign up will be held during each sport season: Fall, Winter and Spring. If your application is not received by the deadline date, your jacket won't be ordered until the next season's order is placed.

Please bring your application, along with payment, to: Mrs. Manning at the High School Office by April 8, 2016.
